

2015-2016 ALAS Equipment Grant Program

08/14/15

As part of LDWF's continued effort to support and promote the Archery in Louisiana Schools (ALAS) program and encourage new schools to join this wonderful program, the department will be offering 20 new schools a partial equipment grant this year. Each grant will provide 5 NASP targets, 1 NASP arrow curtain, 10 PVC ground quivers, and a PVC bow rack. In order to be eligible to receive one of these grants schools will be required to have the following:

- At least one teacher trained as a NASP Basic Archery Instructor (BAI).
- No current NASP equipment
- The ability to obtain the remaining NASP equipment not provided by the grant (12 Genesis bows, 2 boxes of Easton 1820 arrows, 1 equipment repair kit).
- Completed LDWF/ALAS equipment grant application (next page).
- Submission of a letter of interest detailing the reason for your school's desire to receive this grant.
- Acceptance to the terms of acquisition of the equipment
 - Must maintain a certified NASP BAI for next 3 years
 - Must teach the NASP curriculum each year for the next 3 years
 - Must maintain equipment in proper condition

Selection of schools to receive these grants will be determined by LDWF, taking into account completion of required: training, forms, and letter of interest. Grants will begin to be distributed immediately. If over 20 applications are received preference will be given based on information provided in the letter of interest.

If interested in being considered for these grants please complete the LDWF/ALAS equipment grant application, and a letter of interest and submit to:
